To live as animals and howl with the crew
Never admitting defeat for that would be taboo (uh uh)
Aim's to get high, by retire our Kin, go from survive to thrive,
reprioritize now and then, is the limit really the sky.? (Trust bro)!
Makes sense to this gui. What's get your money right mean if our
breathing supply gone awry? Ain't alright to tax
the future for a spoolet nor a spry. What I mean is
we're giving our babies candied "nutrition", parenting with an e-device, now
taping it back creates addiction so who's truely stolen from
easiest? Do you ever wonder why?
Where are we going when the sleezy jest about gumptions backing
happiness and nice? Our pursuit of crap shooting and comforter buy
has us rattling nights of sleep for half sedated lie. [This just in]

- I'm lonely and hurt, grieving my worth, you don't care because I don't say so, I seem.
- My problems with others are yours by extension regardless of choice to support them.
- Inconsiderate
- Degenerate
- You're a dirty, disadvantage having, useless, maimed, stupid, worth-less loser.
- I should've met the standards I've unapologized as my attention whores do to feel attended to...
- Pig, don't mind me as I bathe in hate of my mating... You'll watch and learn!
- "I'm the nigger! (I humiliate others and can't take it in return.)

- Mom is effected by years of system abuse, including:
  - single income
  - Mental/emotional fatigue
  - psychological addiction
  - fear of inadequacy
  - sexual
  - Family
  - excess
  - lack of sociability
  - physiological disturbances (cigs, diet, SG, narcotics)
  - distrusts no one
  - joy except virtue signal, gossip.
- overall relatable yet wild therapy. Man amendable relation.
